REQUIREMENTS FOR BRAVE NOMINATION

In order for the Tribal Council to give full consideration to a Scout for Tribal membership, he must met the following minimum requirements:

1. Scout Spirit - This means the Scout lives by the Scout Oath and Law.
2. The Scout must have participated in a majority of his Troop meetings and activities during the past year.
3. Must be a Star Scout.
4. Must be a third-year camper at a Scout Camp.
5. Maturity - Does the Scout have the emotional maturity to deal with difficult problems, accept personal responsibility for his own actions, withstand negative peer pressure influences and exhibit attitudes of cooperation and service to others? Does he have the inner personal strength to endure a rigorous induction process, of introspection through silence and fasting, as well as service through physical labor?

Under special circumstances, and with proper justification, the Tribal Council may waive some of these membership qualifications.
